

eMazzanti Technologies Ranked Among World's Top Managed Service Providers

Annual Channel Futures MSP 501 global ranking identifies industry's best-in-class businesses on Tech Industry's most prestigious list of top managed service providers worldwide

Hoboken, NJ -- (Cision) June 21, 2024 – eMazzanti Technologies, a [NYC area MSP and IT consultant](#), today announced that the company has been named as one of the world's top managed service providers in the prestigious 2024 Channel Futures MSP 501 rankings. The Channel Futures MSP 501 list, a technology industry benchmark, ranks companies based on their growth, profitability and innovation.

For the past 17 years, managed service providers around the globe have submitted applications for inclusion on this prestigious and definitive listing. It is a milestone achievement for any managed services organization to be included on the list. The Channel Futures MSP 501 survey uses a quantitative methodology to rank companies based on their annual revenue, profitability measured by EBITDA, and recurring revenue. The methodology has been developed by a Who's-Who in the managed services industry.

MSPs that qualify for the list must also pass a rigorous review conducted by the Channel Futures research team and editors. Channel Futures ranks applicants using a unique methodology that weighs financial performance according to long-term health and viability, commitment to recurring revenue and operational efficiency

"World-class security, versatile AI and cloud solutions, and customized managed services give our clients the competitive edge they need in a challenging marketplace," said Jennifer Mazzanti, CEO, eMazzanti Technologies. "eMazzanti's ranking on the 2024 MSP 501 reflects our unwavering commitment to customer success."

Survived and Emerged as the Best

The top service providers from across the globe compete annually for inclusion on the MSP 501. Winners will be recognized on the Channel Futures website and honored during the MSP Summit on September 16-19 in Atlanta, Georgia.

The MSP 501 represents the best in the technology services industry delivering outstanding vendor and platform neutral advice and value to small, mid-sized and enterprise customers. Many of their services and technology offerings focus on customer needs in the areas of AI, cloud, security, collaboration, networking, help desk and remote monitoring and management.

"The 2024 Channel Futures MSP 501 winners survived a challenging market and emerged as the highest performing and most innovative IT providers in the industry today," said Dave Raffo, MSP editor and MSP 501 project manager. "These are the most innovative, driven, and successful MSPs in a fiercely competitive industry."

"For a managed service provider to attain a spot on the Channel Futures MSP 501 everything must be operating at peak performance. This list represents the most productive, profitable, fastest-growing, organizations in the technology industry focused on driving their customers to new heights." said Bob DeMarzo, VP Content, Informa Channels.
